Good morning

I am sending this email as a follow up from a telephone call to Tracey Carpenter and Revd Ali Massey from my neighbour Nadia Khan Barnes. We are trying to get together support from our neighbours and Parish councillors to stop the planned Solar Farm from going ahead opposite our homes. I am forwarding the email from Flexgen with the attached plans for your information and would appreciate this being on the agenda of your next parish meeting. I am also attaching a leaflet that we dropped around the neighbourhood (approximately 100 leaflets) last week prior to the consultation that took place last Saturday which has our concerns about the proposal on it. We plan to start a petition and will be knocking door to door for signatures hopefully by the end of this week. We are attending Astley Parish Council meeting on 12th August as Breach Oak Lane comes under this parish.

I hope we can count on your support and if you would like any further information please do let me know.

Kind regards

Paula Ward
